## Shallow Water (up to 5ft) Lifeguard Certification Course

This training course uses a mix of online and in-person learning in order to provide participants with the necessary skills and knowledge needed to become a lifeguard.

**Course Fee:** \$200 (fully reimbursed after working 40 hours if hired by VPS)

ONLINE	IN-PERSON
<p>Trainees will be added to the online course within 1-2 business days after registration and must have it completed by the first day of in-person training. The online course consists of 19 modules and a final exam.</p>	<p>The in-person training will take place over 2 days. Trainees should arrive to the first day prepared with the knowledge provided in the online modules. Over these 2 days, trainees will gain hands on experience with CPR, first aid, water rescues, and more.</p>
